Application for Graduation

- Navigate to <https://portal.ewubd.edu/>
[Please use Google Chrome, Firefox and Safari for better performance]
- Submit your login credentials.

A feature named **Convocation Application** placed on the left side of the dashboard would serve the purpose of an online application for graduation.

Step of Application for Graduation:

1. Fill up your application form
2. Pay outstanding dues to bank
3. Provide payment information in the system

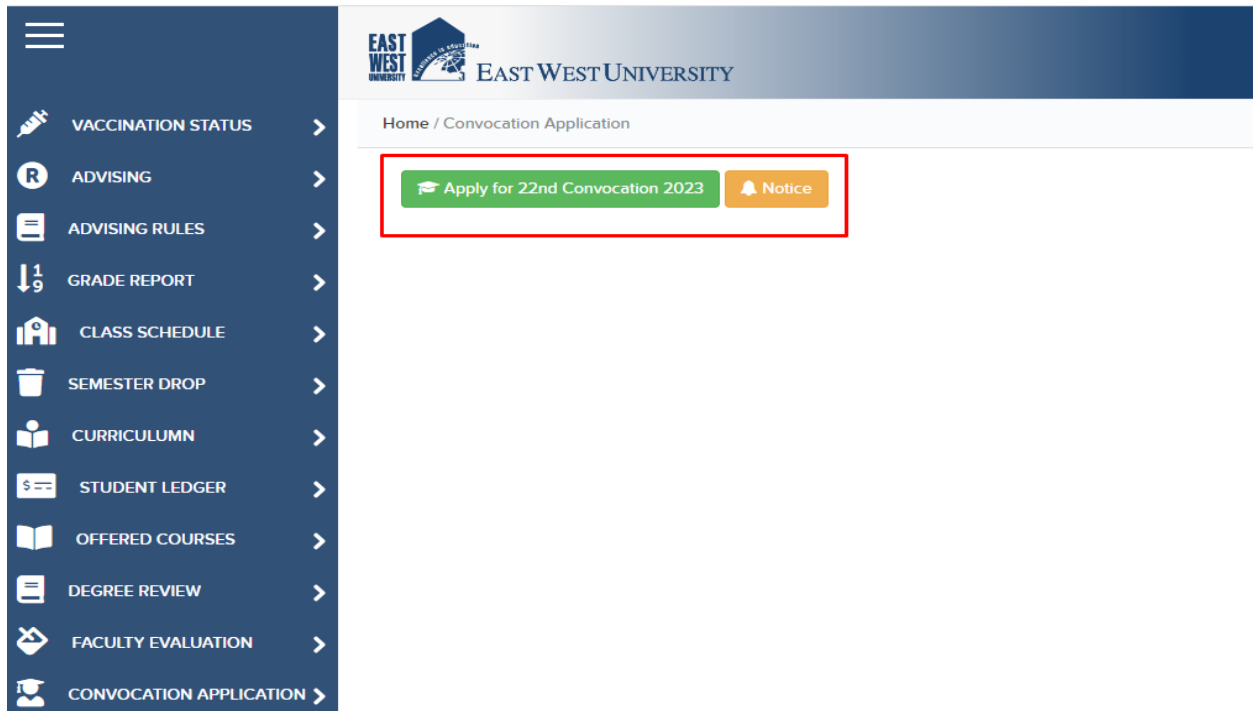

Students can apply for convocation if they meet the following conditions:

1. Application can be submitted only at scheduled time set by the university.
2. If the student did not attend any convocation previously for her/his current program.
3. If her/his convocation application is not in any authorization process.
4. S/he needs to complete her/his required credits of the program.
[N.B.: This would be defined by the university if the applicant can either apply only after completion of her/his required credits or her/his enrolled credits would be summed up with earned credits to justify her/his required credits of the program.]

Application for Graduation

Click on the marked **Convocation Application** feature. This will navigate to a page where students can see the application option and convocation notice.

By clicking on the **Notice**, students will get to know about the deadline, graduation fees and necessary information. To apply for convocation, students need to click on the green-marked button where the convocation name is defined. After clicking on the **Green-marked** button, the system will navigate to the main application page for convocation.

Students will get to see their full name, father's name and mother's name. If that information seems appropriate, students must check the **Verified & OK** button. Otherwise, s/he can request a correction by clicking on **Name Correction Required**.

After clicking on the **Name Correction Required** button, the system will provide editable fields of the aforementioned data. Editable fields contain currently stored data by default where students can be able to edit information. Students will only edit the data that they want to change. After the submission of the convocation application, the correction request will be executed by authorities that they deem appropriate.

The screenshot shows the 'Graduation Application for 22nd Convocation 2023' form. The top navigation bar includes the East West University logo and a user profile dropdown. The left sidebar contains various icons for navigation. The main content area lists six steps of the application process. Step 2, 'My major area(s) of concentration is/are:', has two dropdown menus. Step 3, 'My minor is:', has a dropdown menu. Step 4, 'I am applying to you for awarding me the degree in the relevant discipline.', is a checkbox. Step 5, 'I assure you that I will not register for any course further.', is a checkbox. Students will get to see their contact address, permanent address, contact number and personal email address in the application form which is stored in the university database. This information would appear in the noneditable format. If students find out any discrepancies, they place a change request by checking on the **Request to Change** option.

After checking on the **Request to Change** option, these noneditable fields can be edited/updated. By default, the system will show the stored data in an editable mood. Students will edit only the data that they want to change. There are four lines in both the contact address and the permanent address. To be precise, the last two lines are for Upazila and District in both contact and permanent address. Students cannot leave out any fields of contact number and personal email address blank.

After fulfilling all required information, students can apply for the convocation by clicking on the **Save & Continue** button. Once students click on it, the system will navigate to another page where students need to submit their payment information. After applying, students need to make payments for the convocation fees to banks. Once the payment is made, students need to provide their payment information on that page. Here are some important notes:

- Students' applications would be on hold until they provided the required information about their payment in the application form.
- On the payment information page, students will be able to cancel their applications if they want to. To do so, there is a red-colored button named **Cancel Application** which will serve the purpose.
- After canceling the application, students will be able to apply for convocation once again at the scheduled time.
- To submit payment information, students must provide the payment date, choose the bank name from dropdowns where they made their payments, the receipt or transaction number and upload the payment slip.
- To upload a slip, the file must be in .jpg, .png, or .pdf format. And file size cannot be more than 5 mb.

After fulfillment of all required fields, students will have to click on the **Submit** button. Once the **Submit** button is clicked, the application will be processed for authorization and students will not be able to cancel their applications by themselves.
